**16-028 - Resolution E-386 - 2015 Well 1 & 2 Rehabilitation Project - Change Order One**

Cheney Order One is for replacement of pump columns. The existing columns are over 15 years old and beyond repair.

**16-030 - Resolution E-385 - Lease Agreement for Copy Machines**

The current copy machines at the police department, while functional, are becoming inefficient and prone to breakdown due in part to their age and increased volume. By adopting this contract, the equipment can be upgraded with only marginal cost increase of approximately \$12/month.
